Dear Public Service Commission:

Kindly find attached to this email this firm's comments concerning the Integrated Resource Plans pertaining to the above referenced dockets and filed on behalf of the Southern Alliance for Clean Energy and the South Carolina Coastal Conservation League. Due to a computer malfunction we were unable to successfully e-file the attached letter with the PSC this afternoon, please allow this correspondence to substitute e-filing.

Please contact me if you have any trouble accessing the attachment.

Many thanks,

Emily Selden
